Dear [REDACTED]

Your generous support for the 11th Annual *Run for All Children* plays a crucial role in the lives of countless families in our community. With your help, we can turn this year's race into our most successful, directing essential funds towards specialized treatments and life-changing programs for our young patients. Thank you for your support!

We expect close to 2,000 children and families at the starting line on **Saturday, September 28** to raise awareness and funds for children's health. We are honored to celebrate your sponsorship in every way possible and to let our runners know that your company supports and prioritizes philanthropy in the community. Your commitment to pediatric medicine will improve the health outcomes for the children we serve.

Thank you for supporting compassionate care and healthier tomorrows for all children.

With gratitude,

Ginger LaRue
Associate Director - Special Events
