Johns Hopkins All Children's Hospital is honored to be selected as the benefitting organization for the 2026 Bull Shark Season Fundraising Event. Community fundraising events like this allows us to enhance treatments and stay on the cutting edge of medical advancements, changing the future of pediatric medicine for kids in Florida and beyond, and train future physician leaders. We thank you for you for joining us on our journey to shape the future of pediatric medicine and create healthy tomorrows ... for one child, for all children.

Thank you,

Ginger LaRue and The Johns Hopkins All Children's Foundation
